

BAADER 346 Picking Shackle

Advantages:

- Eliminates hang-ups due to chains or shackles hanging loose.
- No need to straighten bent shackles
- Drag-back chain eliminated - no periodic replacement necessary.
- Chain and trolley wheels last longer - replace less often.
- Quieter operation
- Available Shackle Make-up Lengths:
28, 28-½, 29, 29-½, 30, 30-½, 31, 31-½, 32, 32-½
- 64% weight reduction when using plastic vs. stainless steel shackles - see example below:
 - 2000 (31" - 5/8" rod) Stainless Steel shackles with chain @ 3.91 lbs. each = 7820 lbs.
 - 2000 (31") Plastic shackles without chain @ 1.4 lbs. each = 2800 lbs.
 - **Total weight savings = 5020 lbs.**

Illustrations and dimensions are approximate and not binding. Subject to design changes in the interest of technical progress. Actual scope of supply is specified in our quotations and order confirmations and may differ from descriptions and photos in this leaflet.

Attention!

For the illustration of technical details the safety devices and protection mechanisms are partly not shown in operative condition. When operating the machine, all corresponding devices and instructions referring to the safety of the machine must be utilized and/or observed. (Protective panels and safety guards removed for photograph)
